Employer reference letter

Mr. Purshotam Yadav, born on Feb. 10, 1999, was employed as an intern in our company during the following periods: **15.06. - 15.09.2021**

During this period, he worked on the following tasks:

- Worked on entity relationship diagram of the Whyzzer app.
- Gained first experience in SQL on Database and Flutter on app development.
- Worked on training ML models to extract actionable insights
- First experience with Tensorflow and write SQL to query data.

Mr. Yadav completed the projects assigned to him very independently and with a high degree of personal responsibility, using his excellent programming and algorithm knowledge.

We have come to know Mr. Yadav as a highly motivated, very reliable intern who has always handled all tasks with the greatest personal commitment to our complete satisfaction.

His behavior was very team-oriented and he contributed his ideas and competences comprehensively.

We thank Mr. Yadav for his productive cooperation and are pleased to have worked with him. We wish him all the best for his future and continued success.
